If you have an interest in spending a day or two enjoying great food, inspired conversations and powerful storytelling situated in one of the most enchanting locations in Indonesia, then there is an event coming up that I think you will enjoy.

With a commitment to taking its guests beyond Bali's glossy holiday scene, the Ubud Writers & Readers Festival will run from October 7-11, 2009. This not-to-be-missed local experience promises an intimate, illuminating (and sometimes controversial) journey that allows the true heart and soul of Bali to unfold.

From glamorous cocktail parties and street parades to literary lunches and poetry readings, some of the finest resorts and restaurants in Ubud are posed to demonstrate their hospitality in hosting this world class event.

As [I/organisation] have a relationship with the promoters of the festival, [I/WE] am able to offer you (and anyone you choose to forward this email to) discounted tickets by simply clicking the link below.
